22. Bidding parameter:

1. The bid parameter shall be the Concession Fee rate payable to the Authority in terms of INR per flying hour, subject to a minimum of **INR 500 (Five Hundred)** per flying hour per aircraft. The Concession Fee shall be computed on the basis of total number of actual flying hours (cumulative of all aircraft) multiplied by the Concession Fee rate (in terms of INR per flying hour per aircraft) or 3000 flying hours multiplied by the Concession Fee rate (in terms of INR per flying hour per aircraft), whichever is higher. "Flying Hours" means "Flight Time" as defined in CAR Section 7, Series J, Part I Issue IV Dt. 01/11/2018 issued by the Directorate General of Civil Aviation i.e. the cumulative number from the moment an aero plane first moves for the purpose of taking off until the moment it finally comes to rest at the end of the flight.
2. The bidder has to pay flying hour charges from the date of commissioning of FTO (or) on completion of every 3 years.
